MESSAGE FROM THE DIRECTOR

We are pleased to present the 1992 edition of the Montana Grain Traffic Statistics. Statistical information contained within the annual report has proven to be beneficial to Montana's agricultural industry. This information has been recognized nationally for its continuity, content, and value to the grain producer and marketer.

Destination and mode of shipment information contained within this report provides the Montana grain industry with an increased knowledge of world grain markets and related demand. The report plays a significant role in grain marketing and transportation related issues such as the McCartey Farms Case and proposed management alternatives on the Columbia River.

Reliable statistics and related information are essential to making sound marketing and management decisions. Ultimately, the information contained within the Grain Traffic Statistics Publication translates to a better return for our state's number one industry, Agriculture.

Sincerely,

Everett
